Peripheral vascular disease, transmetatarsal amputation	1	42
Peripheral vascular disease, use of drugs in treatment	8	398
Peripheral vasoconstriction during acceleration and orthostasis	4	174
Peripheral vasodilator with selective action on muscle vessels	2	90
Popliteal vein ligation in treatment of lower limb stasis syndrome	11	545
Varicose veins	2	89
Varicose veins, stripping operation	11	552
Vasomotor disturbances manifestations and clinical significance	9	446
Thromboanglitis obliterans, study of personality factors	4	174
Thrombophlebitis of the deep vein of the leg	12	592
Thrombophlebitis, superficial, treatment of	1	44
Venous congestion, effect of limb position on circulation through toes	6	285
Ulcerative disease of lower extremities, surgical management	1	44
Ulcers of leg, chronic	1	44

Dermatology, Allergy, Fungus Diseases

Allergic dermatoses due to physical agents	4	174
Allergic local reactions to hydrocortisone, suppression of	3	131
Allergies of immediate type in man, spontaneous and induced	2	91
Allergy, some vascular aspects in	2	92
Allergy, vascular; clinical aspects and treatment	2	91
Allergy, underlying mechanism of	10	500
Arteriovenous anastomoses in human skin, anatomy and histochemistry of ..	2	90
Athlete's foot	11	546
Bacterial infections of skin, response to toxytetramyeline-hydrocortisone ointment	4	176
Boric acid poisoning	11	547
Connective tissue disease; clinicopathologic study	1	46
Dermatophytes, isolation from floor of communal bathing places	6	286
Dermatoses resistant, treatment with pantho-F	3	132
Dermatoses, treatment with a colloidal wet dressing	6	286
Dermatoses, treatment with trednisone and trednisolone	12	593
Finaf, a new cutaneous fungicide	6	286
Foot, infections of	11	546
Foot, ring worm in coal miners	12	594
Multiple patch in place of individual patch in skin testing	8	401
Mycoses as therapeutic problem	2	92
Mycoses (deep) of mucous membranes, skin and subcutaneous tissues	3	131
Mycotic infections, dermatologic aspects of	3	131
Nails, artificial: contact dermatitis due to acrylic materials used	1	45
Nails, artificial, sensitivity to	8	400
Nails, curved, long	11	551
Plantar corns, surgical treatment of ..	8	400
Psoriasis; local treatment; review of literature	8	400
Salicylic acid absorption, effect of thickness and extent of ointment layer on ..	4	175
Skin manifestations of nutritional deficiencies	1	45
Tinea pedis as source of infection in family	6	286
Trichophytin reaction after exposure to dermatophytes	6	286
Trophic ulcers of the soles of feet with hydrogenated ergot alkaloid treatment	4	176

Diabetes

Management of foot lesions in elderly diabetic	2	92

Diagnosis

Permissible dose problems with special reference to diagnostic procedures	11	547

Drug Therapy (See also Musculoskeletal System; Rheumatism)

Amphomycin and amphomycin-neomycin ointments	1	46
Ataractics in medical practice	8	401
Cortisone, dangers of self-medication and of neglect of signs of acute adrenocortical insufficiency; value in treatment of arthritis by hydrocortisone acetate	1	46
Dyclonine; New local anesthetic agent; clinical evaluation	4	177
Dyclonine hydrochloride	4	176
Hyaluronidase and infections of hand	8	401
Hydrocortisone, absorption from joint cavity into circulation	6	286
Hydrocortisone in office practice, intra-articular	12	594
Relaxants: skeletal muscles	2	93
